Hello Everyone!

We are all enjoying the walk to school on Fridays with our walking school bus. It’s a great way to finish the week. We look forward to seeing everyone this Friday at 8.25 at the post office.

Our swimming program has almost finished and we have been pleased with the standard of teaching and the terrific progress our students have made. Parents are most welcome to join us at the pool to watch the lessons. Our last lesson is on Monday 2nd March.

Our “Kinglake Ace” program has started up and already several students have received entries on their ‘Ace’ sheets. Well Done! Who will be our first “Kinglake Ace” for 2015?

Our Family Barbecue/Twilight Sports evening has been set for Tuesday 10th March at 5.30pm. We are all looking forward to sharing a great family evening together.

We have a whole school curriculum day on Friday 20th March. Staff will be working on AusVELS curriculum.

Have a great week everyone!

Sue Egan

**OFFICE NEWS:** Thank you to all parents for their fantastic efforts in ensuring that all Swimming Fees were paid up before the Swimming Program commenced. This makes our work in the office so much easier. Thank you.

Just a reminder that it is a Department of Education and Early Childhood Development (DEECD) requirement that parents sign their children in or out of school when arriving late for school or leaving early. New sign in and out forms are being organised and I will send home further information about his matter once they have arrived,

On joining this vibrant association, you are given opportunities to learn new skills in creative arts, photography, public speaking, performing arts, to tackle social issues, be pro-active on issues affecting our agricultural and environmental sectors and most importantly of all to be a part of a very large friendship group.

You are invited to an information session about the CWA with a view to forming a night branch of CWA in Kinglake on Tuesday 17th March 7.30pm in the Kinglake Ranges Neighbourhood House—6 McMahons Rd Kinglake

CAR PARK SAFETY

Please be careful! Some students walking to school cross the road near the bus shelter at Neighbourhood House.

All students need the safety of the crossing area and path near the multi purpose room.

Please don’t use this as a drop off point.
