Hello Everyone!

What a great time we had here last night at our annual Twilight Sports and Sausage Sizzle!

Thank you to all of our families who came along and supported the evening. It was lovely to see you all and everyone had lots of fun!

Our walking school bus is going exceptionally well. We’ve had some beautiful mornings this term. Our younger students are doing a terrific job, and of course our older students are setting a wonderful example. We look forward to seeing everyone this Friday at 8.25 at the post office.

Our “Kinglake Ace” program is going very well and students are starting to fill up their ‘Ace’ sheets. Some are getting closer to achieving the honour of a “Kinglake Ace”. Well Done!

Don’t forget that we have a whole school curriculum day on Friday 20th March. Staff will be working on AusVELS curriculum. This is a student free day.

Our two relocatable buildings at the back of the school are going to be demolished during the holidays. Help is needed to remove all of their contents. If you can spare an hour or two and would like to offer us some assistance, it would be greatly appreciated. Call in to the office for more information.

Have a great week everyone! Don’t forget school photos next Monday 16th March so remember to be looking your best !!

Yes you read it correctly—the CWA in Victoria is growing at the rate of 2 new members per day.

The CWA of Victoria was formed in 1928 for ALL women, with the main purpose being “through community service to improve conditions more especially as they affect the welfare of women and children”. On joining this vibrant association, you are given opportunities to learn new skills in creative arts, photography, public speaking, performing arts, to tackle social issues, be proactive on issues affecting our agricultural and environmental sectors and most importantly of all to be a part of a very large friendship group.

You are invited to an information session about the CWA with a view to forming a night branch of CWA in Kinglake on Tuesday 17th March 7.30pm in the Kinglake Ranges Neighbourhood House—6 McMahons Rd

ALL WELCOME !!!!
URGENT NOTE:

Dear Parents,

The two relocatable classrooms at the back of the school are to be demolished during the Term 1 holidays, so they have to be emptied as soon as possible.

I would be extremely grateful to any volunteer helpers who could give us some time next week beginning Monday 16th. Please contact Bernard at school as soon as possible.

There are some items that the school doesn’t need but that might be of interest to some families.

These include: Tables, table tennis tables, whiteboard stand (large), metal 2-door cupboard, nests of shelves, wooden two-door cupboard, guitars – ½ size and ¾ size, DVD players, video player, metal easels, trolley on castors, large blackboards, flat screen computer monitors, corner desks/work stations, 3-drawer filing cabinet, free-standing shelf units, assorted chairs.

These can be had by the earliest bidder in return for a gold coin donation to the school.

If you are interested in helping or acquiring any item above, please contact me at school.

Thank you,

Bernard Kennedy

CAR PARK SAFETY

Please be careful! Some students walking to school cross the road near the bus shelter at Neighbourhood House.

All students need the safety of the crossing area and path near the multi purpose room.

Please don’t use this as a drop off point.
