General Permission Note 2015

Please indicate permission to the activities listed below and sign.

<p>Local Excursions Throughout the year students will participate in local excursions, walking within the wider community. This could include such areas as Bollygum Park, the library or local street walks. This gives permission for your child to participate in such activities.</p> <p>I give permission for my child to participate in local excursions.</p>	
<p>Image Publications For various reasons during the year, we publish students' images in a variety of media. Images may appear in local publications such as the Mountain Monthly, the Yea Chronicle or the school Facebook pages. Consistent with privacy laws we are seeking your permission to include your child's image. Names or personal identification information will not be included unless specific permission is obtained.</p> <p>I consent to my child's photo/image to appear (please tick for <u>EACH</u>)</p> <p><input type="checkbox"/> in class/school displays <input type="checkbox"/> in school information booklets <input type="checkbox"/> in the school newsletter/on the school website/on the school Facebook <input type="checkbox"/> in newspapers/Mountain Monthly/community displays <input type="checkbox"/> in Outside School Hours program displays and sections listed above <input type="checkbox"/> in classroom films produced at school as part of the curriculum. <input type="checkbox"/> in promotional DVDs</p>	
<p>I consent to my child's given name (first name only) being used in publications.</p>	
<p>PG Viewing Department of Education requires parent permission to view a PG movie. Discretion is always used when selecting content.</p> <p>I give permission for my child to view PG movies or programs.</p>	
<p>Head Lice Occasionally we need to conduct head lice checks. This is carried out by trained staff.</p> <p>I give permission for my child to have his/her hair checked for head lice.</p>	
<p>Video Recording On occasions classroom activities are video recorded for teaching, learning and feedback purposes and viewed by teachers and educators. The learning task rather than the students may be the focus of the camera. These video images remain at Kinglake Primary School.</p> <p>I give permission for my child to participate in classrooms video recording where teaching tasks are the focus.</p>
