Hello everyone,

It is with great excitement that we welcome our newest members to our Kinglake Primary School family. Our prep/1 classroom will be increased by another set of twins, Mason and Evie and Tyler will be joining our Grade 2 classroom. We welcome you and your family and hope you have many enjoyable years with us!

Our epic sessions of swimming have finished with a finale on Monday of free play after a shorter lesson. Our students enjoyed going down the slide and playing pool games with each other. I sincerely hope that all our students who participated learnt something new, acquired new skills and refreshed their safety skills around water and waterways. Our twins, Madi and Zac Thomas gave their lessons a big thumbs up!

Next Monday night 7th March we will be holding our Twilight Sports commencing at 5.45 pm. This night is great for new parents and old to meet other parents, teachers and staff. Please come along to support our students and school.

Each morning and afternoon when I travel to and from school I am always in awe of the immense beauty that surrounds us. We have an amazing and special environment and it is truly worth caring for. This Thursday, at 2pm our school will be participating in Clean up Australia Day, by cleaning up our school grounds. All helpers are welcome to join in on the day.

In order for our school to keep getting better and better, sometimes our staff and teachers also need to do ongoing learning. This is what makes us better educators and keeps our school informed and up to date. This means our students get the best teaching and learning opportunities. All staff will be at a full day Professional Development this Friday March 4th. This means that students do not need to attend school on Friday and families need to make other arrangements on the day for the supervision of their children.

Please remember that School Photo Day will be next Thursday, March 10th. So, it’s time to get those hair cuts done, find those clips and put on our best smiles! There are sibling photo forms at the office for those who wish to have a sibling or family shot. Please remember that all forms need to be brought with your child on the day.

Enjoy your week,

Deb Keating
