## SCHOOL LEADERS:

Being a leader is someone that strives to motivate, encourage and guide others towards achieving a common goal. Students will demonstrate our school values; Respect, Resilience, Kindness and Achievement at all times. Throughout the year our leaders will have a variety of opportunities to lead and be present within our school community.

Here at Kinglake Primary school we are very lucky to have many leadership positions available across a wide range of subject areas. The 5 / 6 students have spent time in their classroom writing their leadership speeches and presented these speeches to the Year 3 – Year 6 cohort and staff stating why they would be a good leader in their chosen position. Students voted as well as staff. We were pleased to present these students with their certificates at Gudjina last Friday with the badge presentation to follow in the coming weeks.
