

Term 1 PE summary 2021

Children will participate in play that promotes engagement with outdoor settings and the natural environment. We will explore safe and unsafe areas of play within our school grounds. Focus will be practising fundamental motor skills in each session. These skills will be modelled in all teaching and learning sessions this term. All children will participate and engage in golf clinics that will expose the children to a new sport. Grades 3 – 6 will also practise and consolidate their tennis skills in a game situation with the assistance of Kinglake Ranges coach Wayne Broom.

Term 1 ITALIAN summary 2021

Foundation students will be introduced to Italian as a new language. The children will begin to reproduce the sounds of the Italian language. All other classes will use the Italian language to interact with myself and peers to greet and converse in phrases and sentences. We will investigate features of Italy and some of their cultural practices. Grades F – 2 children will practise vocabulary on feature topics – self, feelings, family, numbers and Easter. Grades 3 – 6 will focus on Italian to English translations using vocabulary previously taught. Focus topic this term is telling the time
