

### ***Term 4 2020 PE summary***

Children will practise fundamental movement skills and movement sequences. Skills are modelled in all teaching and learning sessions.

Children in grades F – 2 will participate in a modified Perceptual Motor Program. Grades 3 – 6 will refine skills whilst applying basic rules, scoring and fair play when participating in group activities. All class levels will be involved in Footy Day, House Sports, Hot Shots Tennis program and a fun Sports Tabloid Carnival morning. The swimming program is currently on hold, however if regulations permit us attending this year, the program will go ahead.

### ***Term 4 2020 ITALIAN summary***

All classes will use the Italian language to interact with myself and peers to greet and converse in mini conversations. The Italian language is constantly modelled to reproduce the sounds of the Italian language.

Foundation students will consolidate colours and numbers

Grade 1/2 children will consolidate colours, numbers and days of the week.

Children in grades 3 – 6 will consolidate colours, numbers, days of the week, months of the year and their vocabulary within a conversation Children will begin to use key grammatical structures to form simple written sentences.

All classes will be involved in Italian day and Natale (Christmas activities )
